CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES

**RE: CITY OF WINNIPEG 2023 LOCAL STREET RENEWAL PROGRAM
ASSINIBOINE AVENUE REHABILITATION- NAVY WAY TO HARGRAVE STREET**

Please be advised that Assiniboine Avenue from Navy Way to Hargrave Street will be under construction.

Construction is expected to start the week of May 15, 2023 and finish in July 2023.

This project will include full depth concrete repairs, renewal of existing curbs as required, adjustment of drainage components, placement of an asphalt overlay to improve rideability of the street and boulevard restoration.

One Lane for local access will be maintained for local access at all times during construction, though some turning movements may be restricted. Two-way bike traffic will be maintained during the duration of construction. We will provide access to residences/parking lots as much as possible; however temporary closures at individual approaches may be necessary for repairs. We will contact you personally in advance if your property will be affected.

Garbage and recycling collection will not be affected; you are asked to continue to place bins out on collection day. The contractor will relocate the garbage and recycling as needed. Residents are asked to put their house numbers on their collection bins so that our crews can return them to the proper locations.

Emergency access will be maintained throughout the duration of the project.

Please contact Mike Funk of Dillon Consulting Limited if you have any accessibility requirements, questions about the project, or concerns regarding construction. Mike can be reached at 204-898-3521. We appreciate your patience during construction and look forward to the rehabilitation of Assiniboine Avenue in 2023.
