CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: Residents and Business Owners

**RE: 2023 Thin Bituminous Overlays Program:
Dunkirk Place from Kingston Row to South End**

Please be advised that portions of Dunkirk Place will be closed later this summer to accommodate the above Thin Bituminous Overlay (TBO) program.

Construction start: Week of July 24, 2023
Approximate Duration: 5 Weeks, weather permitting

As part of this project, we will:

- Excavate the road in both directions
- Adjustment of catch basins and manholes and improve drainage
- Concrete pavement repairs
- Milling existing asphalt overlay
- Replacement of missing and damaged curbs
- Renewal of curb ramps
- Localized sidewalk repairs
- Boulevard restoration
- New asphalt overlay

Construction impacts:

- Dunkirk Place from Kingston Row to South End will be closed
 - One lane of local-access traffic will be maintained
- There will be limited access to commercial and private approaches
 - We will discuss alternative access arrangements with each commercial property where applicable
 - During some portions of the work, the street will be completely closed to traffic, and private approaches will not be accessible
 - In these situations, you will be notified at least 24 hours prior to the disruption of access
- On-street parking will be prohibited
- Transit service will be maintained throughout construction, though temporary bus stop relocations or closures may be required at various times
- Garbage and recycling will continue to be picked up at regular locations and times.
