CITY OF WINNIPEG CONSTRUCTION NOTICE

TO: RESIDENTS AND BUSINESSES

**RE: CITY OF WINNIPEG 2023 LOCAL STREET RENEWAL PROGRAM
ALLEY RECONSTRUCTION AND SEWER MAIN INSTALLATION –
BOUNDED BY SHERBROOK STREET, CUMBERLAND AVENUE, SARGENT AVENUE,
AND FURBY STREET**

Please be advised that the alley bounded by Sherbrook Street, Cumberland Avenue, Sargent Avenue, and Furby Street will be under construction this summer.

Work could begin as early as May 15 or as late as August 15. Once it begins, work will take just eight weeks

During construction:

- The lane will completely close to all traffic
- We will maintain access to all intersections
- Residents with alley-facing garages or parking must park elsewhere
- Garbage pickup and recycling days will not change
 - Residents of Sherbrook Street, Sargent Avenue, and Cumberland Avenue should place their garbage and recycling bins on the front street for pickup
 - Residents of Furby Street should place their garbage and recycling bins on the front boulevard (across the street from their residences) on the day of collection
 - All residents should put their house numbers on their collection bins so our crews can return them to the proper locations if they are moved
 - Those who require assistance moving bins should contact us for help from the construction crew
- Emergency access will be maintained

Please contact Mike Funk of Dillon Consulting Limited if you have any accessibility requirements, questions about the project, or concerns regarding construction. Mike can be reached at 204-898-3521. We appreciate your patience during construction and look forward to the reconstruction of the alley bounded by Sherbrook Street, Cumberland Avenue, Sargent Avenue, and Furby Street in 2023.
