🌸 These wading pools are open statutory holidays July 1, Aug 7 & Sept 4, 2017
All wading pools are supervised & all spray pads are unsupervised

Role of the Wading Pool Attendant

The role of the wading pool attendant is to provide a safe and enjoyable experience at our wading pools. The wading pool attendant works with patrons to ensure an understanding of the pool rules. The wading pool attendant has complete authority with the emphasis on safety first.

If, for any reason, the attendant must leave the pool area, the attendant will clear the wading pool of all patrons until he/she has resumed visual contact of the pool.

Wading Pool Rules

Wading pools have a maximum depth of 45–60 cm (18–24 in.).

For the safety and enjoyment of all participants, the following rules will apply at all Community Services Department operated wading pools:

- Wading pools are for children 12 years of age and under.
- Children **under 6 years of age must** have a parent/guardian or caregiver 12 years of age or older actively supervising them at and in the pool. Children arriving onsite without suitable supervision will be asked to leave until they can return with an appropriate parent/guardian or caregiver.
- Active supervision includes being in the water with children within arm's reach.
- Appropriate swimwear is required (i.e. swimsuit, shorts).
Note: Non-toilet trained participants who experience incontinence must wear leak-proof swim pants or garments of a similar nature.
- Persons infected with a communicable disease or having open sores cannot enter the water.
- Do not drink water from the spray features.

The following are **not permitted** at a wading pool site:

- Glass containers or food in or around the pool area.
- Play that may be deemed hazardous to other persons in and around the pool facility (e.g. no running, diving, spitting/spouting water, etc.). Sand buckets are allowed as long as they are not used for the purpose of throwing water at others.
- Pets.
- Smoking within 30 m (City of Winnipeg BY-LAW NO. 62/2011).
- Alcohol/drugs.
- Bicycles/skateboards/scooters/in-line skates, etc.
- Water guns.
- Large inflatable toys.
- Sand (due to its effect on water quality).
- Abusive/profane language.

Slide Rules

- Slides are for children 12 years of age and under only.
- Children under 6 must be **actively** supervised when using the slide.
- Children must slide feet first.
- One child permitted on the slide at a time.
- The bottom of the slide must be clear prior to the next child descending.

Wading Pool Water Features

- Climbing on the feature is not permitted.
- Do not drink from the spray feature.

Every effort will be made to help participants understand the importance of safety at the wading pool. The Community Services Department reserves the right to restrict participation for a designated time period in the event behaviour becomes a safety concern.

We understand the importance for families and friends to capture precious moments in a picture. To ensure it is a positive experience for all patrons, specific procedures are required when using video and photographic equipment such as cameras, video cameras, camera phones, etc. For more details, please consult the Wading Pool Attendant.

The use of all technology devices is prohibited in washrooms, change rooms and locker rooms.

Role of the Parent/Guardian

Appropriate parent/guardian supervision is recommended at all times. The safest place for parents/guardians to be is in the water, within arm's reach of their child at all times. Young children may be in lifejackets or personal flotation devices but they must always be within arm's reach and in full sight of the parent/guardian. Additionally, it is recommended that older children should be supervised even if they are strong swimmers and never left unattended or out of the parent/guardian's sight while in the water. When parents entrust the supervisory responsibilities to a guardian they should ensure that the guardian understands and accepts the responsibility they are given. Wading Pool Attendants are a trained and skilled supplement to the recommended parent/guardian supervision of children in the water. By following this simple advice, parents/guardians also play a role in keeping children safe so they can get the most enjoyment while at our aquatics facilities.

(Source: Within Arm's Reach)

Closing Procedures

Draining of the wading pool is coordinated with the time the pool closes. Staff begin draining the pool prior to closing and as a result, there will not be a full basin of water at closing time. Children will be permitted to stay in the wading pool while it is draining under the following conditions:

- Children do not play near or sit on the drain.
- There is no whirlpool present.
- The attendant does not have to leave the wading pool area to attend to other facility requirements.

Please note: each wading pool closes one hour early on its last operating day of the season. Call 311 or visit winnipeg.ca for current pool hours and amenities.

Wading Pool Closures

A wading pool may be closed if any of the following conditions arise:

- The weather turns to thundershowers during the day.
- Lightning and/or thunder are present.
- Water, electricity, access to a phone for emergencies, first aid kit or washroom facilities are not available.
- Foreign material is found in the wading pool water such as glass, fecal matter, vomit, animals or blood, which can affect pool water clarity and quality.
- Maintenance issues.
- The wading pool has not met Manitoba Public Health Act requirements.

Call 311 or visit winnipeg.ca for current pool hours and amenities. Hours subject to change.

Birthday Parties & Events

Wading pools are free public facilities. We do not take bookings for events, including birthday parties, at any of the wading pools. You are welcome to come during regular scheduled hours if you wish to have an event onsite. Please note that capacity restrictions, group ratio and supervision requirements must be met.

Bathing Capacity at Wading Pools

- “Maximum bathing load” means the total number of persons permitted in a swimming pool or other water recreational facility at any one time.
- Bathing loads are established by the Manitoba Public Health Act.
- For the safety of all patrons on site, the bathing load will be enforced by the Wading Pool Attendant.
- If a person arrives on site and the wading pool is at capacity, they will be required to wait until space becomes available.

Rules for Groups

Wading Pool Rules apply to all patrons. However, additional rules specific to group use are in place when groups are utilizing wading pools.

Group Responsibilities

1. Group Leader-Child ratios must be adhered to when the children are in the water and surrounding area. Group leaders must be actively supervising their group. Where two or more leaders are present, one leader must be in the water and the other supervising from the deck (unless ratios determine otherwise).

Ratios have been established as follows and are not negotiable:

Age of Children	# of Leaders Required	# of Children
Infant to 1 year	1	1
2–3 years	1	2
4–5 years	1	5
6–9 years	1	8
10–12 years	1	12

Mixed ratios do not apply at wading pools. For example, two leaders are required for a group of 8 children if seven are 8 years of age and one is 4 years of age.

2. If a group arrives onsite and the wading pool is at capacity, groups will be required to wait until space becomes available.
3. Groups will be **limited to a stay of 2 hours** when other patrons are waiting for entrance.
4. Group leaders are responsible for the behaviour of the children they bring to the wading pool, and must supervise children appropriately. The Wading Pool Attendant does have the authority to speak to the children if necessary.
5. Group leaders arriving with groups that do not comply with the rules for groups are not permitted entry to wading pools until the appropriate safety provisions are in place. We will work with groups to ensure a safe environment for all patrons.

Spray Pad Rules

Spray Pads are unsupervised.

We recommend that children under 12 years of age be accompanied by a parent/guardian. Adults must be accompanied by children at the following combined Spray Pads/Wading Pools: Central Park, Sturgeon Heights, Vimy Ridge Memorial Park, Westdale and West Kildonan.

Children must be closely supervised at all times and follow these rules:

- Glass is not permitted.
- Climbing on features is not permitted.
- People with a communicable disease or having open sores shall not use the spray pad.
- No pets.
- Bicycles, skateboards, scooters and in-line skates are not permitted.
- No smoking within 30 m (City of Winnipeg BY-LAW NO. 62/2011).
- Footwear is recommended.
- Do not drink from the spray feature.

Please note: Washroom facilities are not always available on site.

At a Glance...City of Winnipeg Outdoor Pools

- Public admission entry requirements apply at all City of Winnipeg pools
- Call 311 or visit winnipeg.ca for current facility hours

Groups

Groups of 9 or more people or any organized program/event attending an aquatic/active living facility during public swim or for rentals must book 10 days in advance and adhere to public and group/school admission requirements. Please call 311 to be connected with someone to book your safe and enjoyable aquatic experience. Payment is required at the time of booking. **Outdoor pool bookings are only available at Kildonan Park (10 am–Noon), Fort Garry Lion’s, Westdale and St. Vital Pools.**

Outdoor Pool Closures

Check winnipeg.ca or call 311 after 9:00 am each day for current outdoor pool information.

An outdoor pool may be closed throughout the day if any of the following conditions arise:

- The weather turns to thundershowers during the day.
- Lightning and/or thunder are present.
- Water, electricity, access to a phone for emergencies, first aid kit or washroom facilities are not available.
- Foreign material, such as glass, fecal matter, vomit, animals or blood, is found in the outdoor pool water and has the potential to affect pool water clarity and quality.

For indoor pool hours of operation, visit winnipeg.ca.

Outdoor Pools Open June 30 for the Season
(Kildonan Park Pool opens June 17 & Transcona July 1)

	single admission	outdoor monthly	outdoor season pass
Child 12 & under	\$3.05	\$17.85	—
Youth 13–17	\$4.75	\$36.20	—
Adult	\$6.85	—	—
Family	\$13.40	—	\$103.35

Family admission rates apply to 2 adults and 4 children under the age of 18.

All fees include applicable taxes and are subject to change.

Buy your **Outdoor Pool pass** at Kildonan Park, Fort Garry Lion's, St. Vital and Westdale Outdoor Pools or any of the following Indoor Pools: Bonivital, St. James Civic Centre, Pan Am or Transcona.

Please note: Fort Garry Lion's and Westdale Outdoor Pools only accept cash.

- All admission requirements & capacity restrictions apply.
- Accepted for admission at Outdoor Pools only.

All outdoor pools are open on statutory holidays, July 1 & August 7. The following outdoor pools will be open on September 4: Fort Garry Lion's Outdoor Pool, Kildonan Park Outdoor Pool, Westdale Outdoor Pool, Freight House Outdoor Pool, St. Vital Outdoor Pool and Transcona Kinsmen Centennial Outdoor Pool.

**Make a Splash...
Learn to Swim this Summer!**

The following summer sessions are available for swimming lessons:

- **July 4–14 • July 17–21 • July 24–28**
- **July 31–August 11 • August 14–18**
- **August 21–25 • August 28–September 1**

Course codes are available in our *Swimming for All Ages* online guide at winnipeg.ca/cms/recreation/leisure/leisureguide.stm or on [leisureonline](http://leisureonline.winnipeg.ca/leisureonline) at winnipeg.ca/leisureonline.

Registration is now open. For more information, please visit winnipeg.ca or call 311.

**Free Admission at
Non-Heated Outdoor Pools**

Entry to our non-heated outdoor pools will be free all summer long!

Public admission entry requirements and capacity restrictions apply. Free admission is available at:

- **Freight House** 200 Isabel St.
- **Happyland** 520 Marion St.
- **Norwood** 87 Walmer St.
- **Provencher** 590 Langevin St.
- **Windsor Park** 333 Speers Rd.

At all City of Winnipeg pools, entry requirements and capacity restrictions apply. Admissions are first come first serve. As lineups will likely build quickly, arrive early to beat the heat and the crowds!

Pool capacity is determined by the Manitoba Public Health Act and City of Winnipeg rules. When facilities are at the maximum bather capacity, admissions will be stopped. Customers may choose to line up and will be admitted as others leave the facility.

Non-heated outdoor pools are free public facilities. We do not book birthday parties or any other type of event at any of the non-heated outdoor pools.

Visit winnipeg.ca to learn about practicing healthy swimming behaviours

Doggy Days of Summer

Bring your canine pal for a swim to close out the season at one of our two locations!
