Notification Change

DIRECTIONS: Made of selected soaps that kill insects on contact. Insects must be sprayed directly to achieve proper control. Kills aphids, mealybugs, spider mites, whitefly, soft brown scale, psyllids, rose or pear slugs and earwigs on houseplants. Spray thoroughly both leaf surfaces and stems. For aphids and mealybugs repeat as required. For whitefly spray at 2 week intervals. For spider mites apply once weekly 2-3 times. Spray other pests upon sighting.

PRECAUTIONS: KEEP OUT OF THE REACH OF CHILDREN. Concentrated soap may cause eye irritation. Avoid eye contact.

DISPOSAL: Rinse container and dispose of in household garbage.
Do not reuse empty container.

FIRST AID: If in eyes wash with plenty of water. Take container, label or product name and Pest Control Products Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.
