THE ROLE OF THE BOARD OF REVISION
The Board of Revision (“The Board”) is the first level to which persons questioning their assessments may seek a review. Individual assessments are reviewed by The Board and The Board is responsible for determining they are fair and equitable and fairly represent market values within the City of Winnipeg. The Board is not responsible for adjudicating rates or amounts of taxes.

The Board of Revision is a citizen Board appointed by Council to hear applications for revision of assessments in a fair, open, efficient and quasi-judicial manner with consideration given to the City of Winnipeg’s fiscal timeframe.

POLICIES AND PROCEDURES: PREPARING FOR YOUR HEARING

To prepare for the hearing, you will need to gather evidence that will support your position. This evidence must be exchanged with the City of Winnipeg Assessment and Taxation Department.

Evidence for exchange must be forwarded to the Board of Revision office fourteen (14) days prior to the hearing date as stated in your Notice of Hearing letter, no later than 4:30 p.m. The Board of Revision office will forward the evidence for exchange to the applicable parties the next business day.

This evidence may include, but is not limited to, sales of comparable properties or income and expense information relating to your property that occurred PRIOR to the reference date (see table below).

You may also include pictures of your property to help demonstrate the physical condition. ASSESSMENTS of properties are NOT considered evidence of market value by The Board, and therefore cannot be considered as evidence.

If you missed the exchange date, your evidence will be marked LATE. It will be at the discretion of the Chairperson and Panel Members to determine whether late submissions and / or rebuttal evidence submitted will be accepted at the hearing.

The Municipal Assessment Act provides that all properties in the City of Winnipeg are reassessed utilizing an updated reference date.

The Board will consider the evidence you present at your hearing along with the evidence provided by the Assessment and Taxation Department and will render a decision. If you do not agree with the decision stated in the Order, there is a further right to appeal to the Municipal Board.

The Board does not hear arguments concerning your rate of taxation or city services.

Be advised that comparisons of assessments of properties are not considered evidence of market value by The Board.

All properties are assessed as of a reference date. This provides a level playing field and standard viewpoint. Please reference the table below.
