

**Minute No. 106**

**Report “A” – Executive Policy Committee – December 7, 2011**

**Item No. 20                    General Council of Winnipeg Community Centres – Review of  
Community Centre Universal Funding Formula - City of Winnipeg  
and Community Centre Responsibilities Document**

**COUNCIL DECISION:**

Council concurred in the recommendation of the Executive Policy Committee and adopted the following:

1. That the 2012 Universal Funding Formula City of Winnipeg / Community Centres Responsibilities Document be adopted as acceptable standards to be in effect until the 2017 Universal Funding Formula Review.
2. That the current Community Centre Universal Funding Formula envelope be increased by 8.1%.
3. That the Community Centre Universal Funding Formula be based on \$1.70 per capita, \$3.10 per heated square footage, \$5,250 for the first two rinks per site, and \$2,625 for each additional rink per site.
4. That the Universal Funding Formula has the following parameters:
  - A. The Universal Funding Formula (UFF) is based on the heated square footage of individual Community Centre facilities as per City of Winnipeg measurements. The UFF operating grant is intended to cover utilities (gas, electricity, water, telephone), maintenance, janitorial supplies and, where possible, basic custodial staffing in order to provide a clean and safe environment.
  - B. Indoor Arena/Soccer Complexes are funded for heated areas which include dressing rooms, foyers, canteens, offices, and washrooms. Universal Funding Formula does not fund indoor ice/soccer surfaces, bleachers, mechanical and Zamboni rooms that solely service indoor ice/soccer operations.
  - C. “Third Party Exclusive Use Areas/Dedicated One-Purpose Areas” are not funded under Universal Funding Formula.
5. That the Universal Funding Formula funding envelope be increased annually to include the Consumer Price Index (CPI).

---

**Report “A” – Executive Policy Committee – December 7, 2011**

COUNCIL DECISION (continued):

6. That disputes related to the interpretation and implementation of the City of Winnipeg / Community Centres Universal Funding Formula Responsibilities Document be referred to the arbitration process.
7. That the following rate adjustments be referred to the 2012 Operating Budget review process:
  - A. That an 8.1% cumulative CPI increase (for 2008 – 2012) be applied to the 2012 Universal Funding Formula which represents an increase of \$368,715 over the 2011 Adopted Budget.
  - B. That the overall funding envelope for Community Centre Grants is subject to annual inflationary increases projected at 2% each year from 2013 to 2016, annually adjusted for actual CPI increases.
  - C. That in 2012 the Universal Funding Formula per capita grant be set at \$1.70.
  - D. That in 2012 the Universal Funding Formula heated square footage be set at \$3.10.
  - E. That in 2012 \$5,250 be provided to community centres for the first two outdoor rinks per site.
  - F. That in 2012 \$2,625 be provided to community centres for each additional outdoor rink per site.
8. That all Winnipeg Public Service and/or General Council of Winnipeg Community Centre reports that identify expansions or capital improvements to a community centre provide a Financial Impact Statement identifying the impact to the centre’s annual Universal Funding Formula operating grant. Council approval of such projects shall result in an appropriation to the Department’s budget to cover increases to the community centre operating grant as required by the Universal Funding Formula.

**Report “A” – Executive Policy Committee – December 7, 2011**

DECISION MAKING HISTORY:

Moved by His Worship Mayor Katz,

That the recommendation of the Executive Policy Committee be adopted.

Carried

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On December 7, 2011, the Executive Policy Committee concurred in the recommendation of the General Council of Winnipeg Community Centres, and the Winnipeg Public Service, and submitted the matter to Council.

## ADMINISTRATIVE REPORT

**Title:** Community Centre Universal Funding Formula (UFF) Review 2012 - 2016

**Issue:** The proposed 2012 – 2016 Community Centre Universal Funding Formula from General Council of Winnipeg Community Centres requires additional mill rate support.

**Critical Path:** Executive Policy Committee; Council

### AUTHORIZATION

Author	Department Head	CFO	CAO
R. MacKinnon	C. Wightman	M Ruta CFO	D Joshi COO

### RECOMMENDATIONS

1. That Council approves the recommendations put forward to Executive Policy Committee by General Council of Winnipeg Community Centres (GCWCC) in its October 18, 2011 Community Centre Universal Funding Formula (UFF) Review Report for 2012 – 2016, and refers the financial aspects of these recommendations to the operating budget process for review as outlined in recommendation 2.
2. That consideration of the following rate adjustments be made during operating budget deliberations:
  - a) That an 8.1% cumulative CPI increase (for 2008 – 2012) be applied to the 2012 UFF which represents an increase of \$368,715 over the 2011 Adopted Budget
  - b) That the overall funding envelope for Community Centre Grants is subject to annual inflationary increases projected at 2% each year from 2013 to 2016, annually adjusted for actual CPI increases
  - c) That in 2012 the UFF per capita grant be set at \$1.70
  - d) That in 2012 the UFF heated square footage be set at \$3.10
  - e) That in 2012 \$5,250 be provided to community centres for the first two outdoor rinks per site
  - f) That in 2012 \$2,625 be provided to community centres for each additional outdoor rink per site

3. That all Public Service and/or GCWCC reports that identify expansions or capital improvements to a community centre provide a financial impact statement identifying the impact to the centre's annual UFF operating grant. Council approval of such projects shall result in an appropriation to the Department's budget to cover increases to the community centre operating grant as required by the Universal Funding Formula.

## REASON FOR THE REPORT

This report has been prepared in response to GCWCC submitting a report to EPC on October 18, 2011 which is recommending changes to the UFF for 2012-2016. In accordance with Council policy, the Public Service and GCWCC are required to review the Community Centre Universal Funding Formula (UFF) and the Community Centre/City of Winnipeg Responsibilities Document every five years to ensure it remains responsive to the needs of Community Centres.

## IMPLICATIONS OF THE RECOMMENDATIONS

### General:

Approval of the Community Centre Universal Funding Formula Review and recommended increases to the funding envelope will provide funding for the Community Services Department to meet the intent of the proposed GCWCC recommendations.

The funding envelope is proposed to increase annually with inflation projected at 2% each year, with the budget being amended accordingly each year rather than once every 5 years thus minimizing the impact following the UFF formula's review cycle.

Actual changes in catchment area population, heated square footage and inflationary increased to the costs associated with general heated square footage, and increases/decreased in hockey pens will be annually adjusted where practical and where funding is approved by Council.

In addition to maintenance and administration requirements, the proposal further identifies programming responsibilities and incorporates minimum target hours of operation for Community Centres. The intent is to provide a stronger framework for program delivery and increase the use of Community Centres by ensuring facilities are open and accessible. GCWCC and the City will support and assist individual Centres to meet the targeted hours of operation.

The proposal also incorporates a revised formula by which the annual operating grants are calculated. The present funding formula allows for large funding disparities between facilities of equal size with similar programs and amenities due to the difference in size of the catchment areas. However, under the proposed formula, catchment population is still recognized but its impact is reduced to ensure that facilities of similar size and components are treated more equitably.

The revised formula is predicated upon three important caveats:

1. An 8.1% CPI increase (cumulative CPI since the last review cycle);
2. Recognizing that any changes to the current formula such as shifting the weighting of the various factors must stay within the increased envelope;
3. That any changes to the existing formula minimize negative financial impacts to any individual Community Centre.

Without the 8.1% increase, it is not possible to shift the formula as proposed.

Under the proposed Universal Funding Formula, the Community Services Department will require a funding envelope of \$4,809,155 in 2012, representing an incremental increase over the 2011 Adopted budget (\$4,440,440) of \$368,715.

**Financial:**

The 2011 Adopted Budget (and 2012 – 2014 Projected Budgets) for Community Centre UFF payments is \$4,440,440.

The 2012 – 2016 proposed Universal Funding Formula is calculated as follows:

- a) \$1.70 per person, \$3.10 per heated square foot, \$5,250 for the first two outdoor rinks per site and \$2,625 for each additional outdoor rink per site.
- b) 2006 Statistics Canada Census Population for all Community Centres of 623,455
- c) Heated Square Footage of 976,454
- d) 135 Primary Outdoor Rinks
- e) 12 Secondary Outdoor Rinks

The proposed funding structure shifts the weighting of the grant as follows:

- The current \$2.48/sq ft increases by 25% to \$3.10/sq ft
- The current funding of \$2.10/person decreases by 19% to \$1.70/sq ft.
- Funding for outdoor rinks remains unchanged.

All 5 districts will see increases to operating grants and out of 66 Community Centres:

- 63 Centres see percentage increases between 0.1% to 14.8%
- The dollar value of the increases at individual Centres range from \$60 to \$21,607.
- 3 Centres see a percentage decrease: 0.3% (-\$215), 1.1% (-\$459) and 3.6% (-\$2,373).

Under the proposed formula, the Community Services Department will require a Community Centre UFF funding envelope as follows:

	Proposed Community Centre UFF Grant	Incremental Increase over the 2011 Adopted Budget	Increase over Prior Year
2011 Adopted Budget	\$4,440,440		
2012 Proposed UFF Budget	\$4,809,155	\$368,715	\$368,715
2013 Proposed UFF Budget	\$4,905,338	\$464,898	\$96,183
2014 Proposed UFF Budget	\$5,003,445	\$563,005	\$98,107
2015 Proposed UFF Budget	\$5,103,514	\$663,074	\$100,069
2016 Proposed UFF Budget	\$5,205,584	\$765,144	\$102,070

**HISTORY**

The Universal Funding Formula (UFF) was developed in 1993 and approved by Council.

On July 18, 2007, Council adopted the Universal Funding Formula (UFF) City of Winnipeg/ Community Centres Responsibilities Document as acceptable standards to be in effect until the 2012 Universal Funding Formula Review, and in doing so, among other things, approved that the Community Centre envelope be increased by five percent (5%) retroactive to January 1, 2007. The five percent (5%) increase represented 50% of CPI from 2002 – 2007. In its report, the 2008 UFF Review Task Force acknowledged that an increase in funding was appropriate and allowed for a more detailed assessment of need in the Review to begin in less than 6 months.

As a result, the weighting of the components within the 2007 - 2011 Universal Funding Formula remained unchanged, resulting in component values of: \$2.10 per person, \$2.48 per heated square foot, \$5,250 for the first two outdoor rinks per site and \$2,625 for each additional outdoor rink per site.

The UFF component measurements for the funding envelope in 2007 - 2011 were: Population of 608,635; Heated Square Footage of 938,583; 122 Primary Outdoor Rinks and 35 Secondary Outdoor Rinks.

The 2011 UFF Review Committee has determined that a cumulative CPI increase is appropriate due to increased costs related to utilities, labour, and maintenance over the past five years since the last review cycle. Upon further review of the funding formula, the Review Committee also recognized the weighting of the 2007 – 2011 funding formula components allowed for large funding disparities between facilities of equal size with similar programs and amenities due to the difference in size of the catchment areas. It was determined a shift in the formula could occur while still remaining within the proposed CPI increase. The Review Committee also strived to ensure any changes to the formula minimized any negative financial impact to individual Community Centres.

**Re: Community Centre Universal Funding Formula Review**

Attached, please find the Community Centre Universal Funding Report for consideration by the Executive Policy Committee at the meeting of October 26, 2011.

This report includes the:

- City of Winnipeg & Community Centre Responsibilities Document
- Community Centre Universal Funding Formula

Should you require any further information please contact our office at 475-5008.

Sincerely,

Marlene Amell

Executive Director, GCWCC

## REPORT TO EXECUTIVE POLICY COMMITTEE

October 18, 2011

**RE: COMMUNITY CENTRE UNIVERSAL FUNDING FORMULA REVIEW**

---

### **REASONS FOR THE REPORT:**

- **As per City Policy, GCWCC and City Administration are required to review the Community Centre Universal Funding Formula (UFF) and the Community Centre/City of Winnipeg Responsibilities Document every five years. The intent of the review is to ensure that it is still responsive to the needs of the Community Centres.**
- **As per City Policy, the 2011 UFF Review Committee has prepared a report of recommendations to the Executive Policy Committee for its consideration.**

### **RECOMMENDATIONS:**

- 1. That the attached 2012 UFF City of Winnipeg / Community Centres Responsibilities Document be adopted by Executive Policy Committee as acceptable standards to be in effect until the 2017 Universal Funding Formula Review.**

#### **Rationale:**

The UFF Review Committee comprised of representatives of GCWCC, the City of Winnipeg Community Services Dept, and an appointed representative from each District Community Centres Board, have completed their review. Notably, additions have been incorporated into the Program Responsibilities to better identify the program planning and delivery responsibilities. Based on the Community Centre facility size, suggested minimum hours of operation for each site have been identified to ensure that the centres are open and accessible to the public on a consistent basis. Where a centre cannot provide the targeted number of hours, the City and GCWCC will work with the centre to help meet their community's programming needs. Efforts have been made to clarify the wording as much as possible to avoid disputes between the Community Centres and the City of Winnipeg.

An arbitration clause has been included to allow a format for resolution of issues that may come forward due to misinterpretations.

- 2. That the current Community Centre Universal Funding Formula envelope be increased by 8.1%.**

#### **Rationale:**

The Consumer Price Index (CPI) has increased 8.1% in the past five years. Inflation and aging facilities have resulted in increased operating costs for Community Centres.

**3. That the Community Centre Universal Funding Formula be based on \$1.70 per capita, \$3.10 per heated square footage, \$5,250 for the first two rinks per site, and \$2,625 for each additional rink per site.**

**Rationale:**

The Committee received direction from the membership to look at changes to the Universal Funding Formula. It was felt that population was not a reflection of actual usage. As the UFF operating grant is intended for building maintenance, a shift in weighting from population to square footage begins to address funding inequities between Community Centres.

**4. That the Universal Funding Formula has the following parameters:**

The Universal Funding Formula (UFF) is based on the heated square footage of individual Community Centre facilities as per City of Winnipeg measurements. The UFF operating grant is intended to cover utilities (gas, electricity, water, telephone), maintenance, janitorial supplies and, where possible, basic custodial staffing in order to provide a clean and safe environment.

Indoor Arena/Soccer Complexes are funded for heated areas which include dressing rooms, foyers, canteens, offices, and washrooms. UFF does not fund indoor ice/soccer surfaces, bleachers, mechanical and Zamboni rooms that solely service indoor ice/soccer operations.

“Third Party Exclusive Use Areas/Dedicated One-Purpose Areas” are not funded under UFF.

**Rationale:**

Indoor Ice Arenas and Soccer Complexes are capable of generating revenues from their user groups.

Third Party Exclusive Use Areas/Dedicated One-Purpose Areas receive funding directly from the third party user under the terms and conditions contained within a duly authorized Lease Agreement. Lease Agreements will be entered into by the City of Winnipeg on behalf of individual Community Centres. Should a third party user terminate its Lease and the space is no longer used as an exclusive use space, then the City would provide the appropriate UFF dollars to the Community Centre.

**5. That the UFF funding envelope be increased annually to include the Consumer Price Index (CPI).**

**Rationale:**

In the past, the funding envelope has been based upon an accumulation of CPI over five years; however, rising costs at Community Centres can be better addressed by an annual increase to their operating grant.

**6. That disputes related to the interpretation and implementation of the City of Winnipeg/Community Centres UFF Responsibilities Document be referred to the arbitration process.**

**Rationale:**

Although every attempt has been made to clarify the wording of the UFF Responsibilities Document, an arbitration process has been put in place to deal with jurisdictional and financial issues due to misinterpretations.

Should there be issues regarding the interpretation of the provisions of the UFF Responsibility Document, the process refers the issue to the GCWCC and the City Administration.

**DISCUSSION:**

The UFF Review Committee received direction from the membership through Plan 2025, through a workshop in April, 2011 and through a questionnaire circulated in June/July 2011. The UFF Committee Members were tasked to think on a city-wide, not on a district or individual community centre level; to ensure that the funding formula is based on a fair, equitable and rational method for the allocation of the UFF Grant; and that the formula is based on measurable criteria which reflects Community Centre operating costs. Community Centres were encouraged to submit any comments and suggestions back to their representative to ensure that the committee could take their feedback into consideration. The City of Winnipeg Community Services Department., Parks and Open Spaces Division and Municipal Accommodations Division were also requested to provide input for the Responsibilities Document.

**Some assumptions made in considering the UFF Funding Formula.**

- that the operating grant should provide enough funds so centres do not have to fund raise to meet basic operating costs
- that the population numbers utilized are those of the latest Statistic Canada Reports when available
- that CPI be used to measure required increases to the operating grant
- that availability of funding is considered in the requirements outlined in the responsibilities document

**REPORT SUBMITTED BY:**

The General Council of Winnipeg Community Centres in collaboration with the City of Winnipeg.

## FUNDING RESPONSIBILITIES

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<p><b>Funding Requirements:</b></p> <p>Community Centres must adhere to the following requirements (*) to qualify for the full amount of any grant allocations.</p> <p>Please refer to the GCWCC Accountability Manual for further information.</p>	<p>Community Centre volunteers and their employees are entrusted with the day to day management and operation of the Centre including control, care and maintenance of the facilities and grounds.</p>	<p>Responsible to support the operation and maintenance of the Community Centre through the provision of an annual operating grant.</p> <p>If the funding responsibilities and timelines as outlined below are not met by the Community Centre, the release of the UFF operating grant may be delayed until such time the conditions have been met.</p> <p>Any issues that cannot be resolved by the City and Community Centre resulting from the Responsibilities Document will be referred to the Dispute Resolution Process.</p>
<p><b>*Incorporation</b></p>	<p>Exist as an incorporated body and provide the City of Winnipeg a copy of the Annual Return to the Corporations Branch, Department of Consumer and Corporate Affairs.</p>	<p>In conjunction with the GCWCC, will review Community Centre incorporation status annually and will keep on file with Community Centre records.</p>

## FUNDING RESPONSIBILITIES

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<p><b>*Monthly Financial Statements</b></p>	<p>The Community Centre is to ensure they meet or exceed the minimum standard of financial accountability as described in the standardized financial reporting section.</p> <p>Submit a copy of the Centre's Board approved monthly financial statements within 30 days following the monthly meeting.</p>	<p>Review and file financial statements prior to the release of UFF payments and provide necessary direction.</p> <p>Keep the monthly financial statements on file.</p>
<p><b>*Annual Financial Statements</b></p>	<p>Submit annually to the City a financial statement that has been audited and/or reviewed by a Chartered Accountant (CA), Certified General Accountant (CGA), or a Certified Management Accountant (CMA), and presented to the Board within 120 days of the year end fiscal date.</p>	<p>Review annual financial statements prior to the release of UFF payments and provide necessary direction. Reviews of annual statements will be done within 45 days of receiving annual statements from the Community Centre.</p> <p>A written summary of the review will be provided to the Community Centre.</p> <p>Keep the audited or reviewed annual financial statement on file.</p> <p>If the Centre submits late, then the review and release of the operating grant will be proportionately delayed.</p>

## FUNDING RESPONSIBILITIES

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<p><b>*Liability Coverage for Volunteers</b></p>	<p>To provide/submit annually the number of volunteers, the programs they are involved in, position and number of volunteer hours to the City of Winnipeg by November 30 of each calendar year, in a format standardized by the City.</p>	<p>Will provide a standardized reporting format to Community Centres.</p> <p>To include insurance coverage to volunteers under the City of Winnipeg policy based upon the information provided by Community Centres each year.</p>
<p><b>*Inventory Lists</b></p>	<p>Provide the City with an updated annual inventory list in a format standardized by the City by November 30 of each year to ensure adequate insurance coverage.</p> <p>Submit additions and/or deletions to this list on an ongoing basis to ensure insurance coverage. Note: Significant purchases in excess of \$1,000 should be submitted immediately.</p>	<p>Will provide a standardized format to Community Centres.</p> <p>Record, register and include Community Centre current inventory lists in the City's annual insurance policy.</p>
<p><b>*Programming Reports</b></p>	<p>Provide to the City and GCWCC an updated Summer and Fall/Winter/Spring program report which identifies all programming taking place at the centre on an annual basis as follows: Summer (July-Aug) by May 30<sup>th</sup> and Fall/Winter/Spring (Sept-Jun) by September 30<sup>th</sup>.</p>	<p>Provide Centre with the previous year's programming report and standardized format.</p> <p>In conjunction with GCWCC, review and evaluate reports.</p> <p>See Programming Responsibilities for further details.</p>

## FUNDING RESPONSIBILITIES

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
*Board of Directors List	Submit a current list of executive and board members to the City and GCWCC annually within 30 days after the conclusion of the Annual General Meeting.	Will keep on file with Community Centre records.
*Constitution & By-Laws	On an annual basis, ensure that a copy of the current constitution and by-laws (signed and dated) is submitted to the City within 30 days following the Annual General Meeting and that it is consistent with the Standardized Community Centre Constitution as prepared by the City and GCWCC.	Will keep a copy of the centre's constitution and by-laws on file.  In partnership with GCWCC, provide Centres with assistance (resource, interpretation) regarding constitutional matters.
*Annual General Meeting	Conduct an Annual General Meeting (AGM) for the purposes of reporting the year's financial activities and the election of directors and officers.  Submit the recorded minutes to the City within 30 days following the AGM.	Upon request, attend Annual General Meetings. Provide assistance and direction where needed.
*Maintenance Accountability	Ensure that there is an annual on-site meeting held between the City of Winnipeg and the Community Centre to conduct a facility and grounds inspection.  See Building Maintenance Responsibilities for further details.	Written copies of the inspection will be forwarded to the Community Centres along with completion dates.  See Building Maintenance Responsibilities for further details.

**ADMINISTRATION RESPONSIBILITIES**

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<p><b>Provincial Civic Charities Permit and/or Manitoba Gaming Control Permits</b></p>	<p>Annually obtain necessary provincial permits and licenses for raffles, lotteries and other fundraising events conducted by the Centre.</p> <p>Maintain records of fundraising expenditures and revenues for the purpose of reporting to the Civic Charities Bureau.</p>	
<p><b>Civic Charities (Tax Deductible Receipts)</b></p>	<p>Maintain a list of tax deductible contributions; submit lists and monies to the City for tax receipt processing as per City of Winnipeg Reporting Guidelines.</p> <p>Previous year reports due to the City (Liaison Officer) no later than February 15<sup>th</sup> of each calendar year.</p>	<p>Provide and mail tax deductible receipts on behalf of Community Centres for applicable fund raising projects and charitable donations. Tax receipts for the previous year will be mailed by February 28<sup>th</sup>.</p>
<p><b>Insurance and Claims</b></p>	<p>Immediately provide to the City all necessary information regarding personal/bodily injury or property damage.</p> <p>For any major incidents related to the building, Contact the City for technical assistance.</p>	<p>Provide insurance coverage including property, accident and liability insurance as per Insurance and Claims requirements.</p> <p>Prepare and forward to claims branch on behalf of the Community Centre, all personal/bodily injury or property damage and final repair reports. Ensure all appropriate information has been obtained prior to filing with Claims Branch.</p>

**ADMINISTRATION RESPONSIBILITIES**

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<p><b>Third Party Liability Insurance (Rental Agreements)</b></p>	<p>Ensure all third party users of the Centre complete a Facility Use Agreement and obtain liability insurance as required by the City.</p> <p>Submit a copy of the agreement and proof of insurance to the City for finalization.</p>	<p>Finalize Facility Use Agreement for third party users of Community Centres.</p> <p>Ensure appropriate liability insurance is in place.</p>
<p><b>Permits</b></p>	<p>Obtain and maintain the necessary permits related to operation, e.g. alarms, canteen operation, special events, fireworks, upgrades, construction, etc.</p>	<p>Educate and inform Community Centres of relevant permit requirements and contacts.</p> <p>Assist as required in the permit process.</p>
<p><b>Development Projects</b></p>	<p>As per the District Planning process in accordance with the RLLAF Policy, work in cooperation with GCWCC on all development and/or renovation projects (capital upgrading, repair, expansion and replacement projects).</p> <p>Obtain approval from the City before hiring a project consultant and/or contractor.</p> <p>Prepare funding reports as necessary.</p>	<p>Provide technical advisory, consultation for Community Centre initiated upgrading, expansion projects.</p> <p>Provide Centres with rationale for those developments that cannot be endorsed.</p> <p>Approval of project scope prior to application for building permit.</p> <p>Assist with planning, funding and execution, as required.</p> <p>Ensure additional operating funds associated with approved expansions are identified.</p>

## ADMINISTRATION RESPONSIBILITIES

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<b>Staff</b>	Hire, orientate, train, supervise, pay and provide benefits as required by law for employees of the centre.	
<b>Volunteer Development</b>	Recruit, provide training and supervise volunteers.	In cooperation with the GCWCC provide orientation sessions for Community Centres regarding City of Winnipeg bylaws, policies, procedures and the laws and regulations for Federal, Provincial and Municipal Governments.
<b>Relationship with other Boards</b>	Maintain an active membership on the District Community Centres Board.  Maintain an active membership with GCWCC.	Provide support and foster communication by appointing a staff representative to each District Community Centres Board and the GCWCC.

**PROGRAM RESPONSIBILITIES**

<b>ACTIVITY</b>	<b>COMMUNITY CENTRE</b>	<b>CITY OF WINNIPEG</b>
<p><b>Program Planning and Delivery</b></p>	<p>The purpose of a Community Centre is to provide a range of recreational and leisure activities for the entire community through the management and operation of the Community Centre facilities and grounds.</p> <p>Programming is defined as supervised, regularly scheduled activities, whether structured or non-structured, that are open to the community.</p> <p>Programs may be delivered by the Community Centre, by partners or by third party groups, providing the programs are open to the community.</p> <p>Upon availability, the Community Centre shall provide space at no charge to City sponsored programs, providing no additional costs are incurred by the Community Centre. City programming must not compete with existing community centre programs. Facilities must be made available as polling stations for Civic, Provincial, and Federal elections (not campaign offices).</p>	<p>As required, the City and GCWCC will assist Centres in program development.</p> <p>The City will plan, conduct and evaluate Department sponsored programs and services.</p>

**PROGRAM RESPONSIBILITIES**

ACTIVITY	COMMUNITY CENTRE	CITY OF WINNIPEG
<p><b>Hours of Operation</b></p>	<p>Community Centres shall be open and accessible to the public for programming on a consistent basis, 12 months per year.</p> <p>Community Centres shall strive toward achieving the following minimum targeted hours of operation for each site location, based on facility size:</p> <p>Small Facilities</p> <ul style="list-style-type: none"> <li>• Under 10,000 sf</li> <li>• Average 20 hours/ week</li> </ul> <p>Medium Facilities</p> <ul style="list-style-type: none"> <li>• 10,000 – 20,000 sf</li> <li>• Average 30 hours/ week</li> </ul> <p>Large Facilities</p> <ul style="list-style-type: none"> <li>• Over 20,000 sf</li> <li>• Average 50 hours/ week</li> </ul> <p>Exemptions: Satellite sites that function solely as skate change buildings (&lt;3,000 sf) are exempt from target hours.</p> <p>Community Centres will provide washroom access when Community Centre programming is taking place on the adjacent grounds.</p>	<p>Where a Community Centre struggles to meet targeted hours, the City and GCWCC will provide assistance to the Community Centre by working with them to help meet their community's programming needs.</p>
