

Swim Instructors & Lifeguards ... Leaders for Life!

Lifeguarding and teaching swimming are fun, exciting and rewarding careers!

It's Important ...

- Your knowledge and skills can save a life.
- Instructor/Guards are more than just good swimmers. They are water rescue professionals that prevent accidents and are trained in emergency response.
- Being an Instructor/Guard is a fun, exciting and rewarding job. It is also a job that carries responsibility, which is why lifeguards take courses and train hard.
- Instructor/Guards are provided ongoing training and support to ensure they are well prepared.

It's challenging ...

- Doing the job well requires sound judgment and decision-making skills.
- Interacting with and leading a wide variety of people at different ages and stages of life is a great experience for both the Instructor/Guard and the participants.
- Instructor/Guards must be focused and vigilant to be effective.

It's Fun ...

- Work with a great team of people.
- You will support others while they learn new skills that will promote a lifetime of fitness and good health through aquatic recreation, fitness and sport.
