Outdoor Pool Closures

Check winnipeg.ca or call 311 after 9:00 am each day for current outdoor pool information.

An outdoor pool may be closed throughout the day if any of the following conditions arise:

- The weather turns to thundershowers during the day.
- Lightning and/or thunder are present.
- Water, electricity, access to a phone for emergencies, first aid kit or washroom facilities are not available.
- Foreign material, such as glass, fecal matter, vomit, animals or blood, is found in the outdoor pool water and has the potential to affect pool water clarity and quality.

For indoor pool hours of operation, visit winnipeg.ca.
