535-2021_Drawing_E9 with 535-2021_Addendum 3_Drawing_E9-R1

QUESTIONS AND ANSWERS

Q1: RE: Specification 09 96 59 2.3B Waterproof Membrane:
Does the statement refer to coating the walls with the waterproof membrane or just where there are screw holes and joint seam?

A1: Stonproof membrane is required only to provide waterproof seal at locations of seams and penetrations. Coverage of full wall surfaces is not required.
