City of Winnipeg Concrete Mix Design Approval

Date Issued – May 8, 2003

Effective March 10, 2003, the procedure for the approval of Concrete Mix Designs applicable to Surface Works Construction within City of Winnipeg Right-of-Ways in accordance with Specification CW 3310-R7 – Portland Cement Pavement Works has been revised.

The concrete mix design information must now be submitted directly to the Public Works Department to the attention of the Research and Standards Engineer for approval.

For additional information, please contact Darwin Kupskey of the City of Winnipeg, Public Works Department at: DKupskey@winnipeg.ca or phone: 986-5315.

The following Concrete Suppliers have been approved for the 2003 Construction Season.

Building Products
City Mix Inc.
Lafarge Canada Inc.
Perimeter Concrete Ltd.
Northland Ready Mix Concrete
