

Waverley Underpass

Summer 2018

Issued June 8, 2018

Construction Update #6 - Notice of Temporary Weekend Closure, July 6-9, 2018

This is a special notice for weekend closure of the Waverley Street detour road, July 6-9.

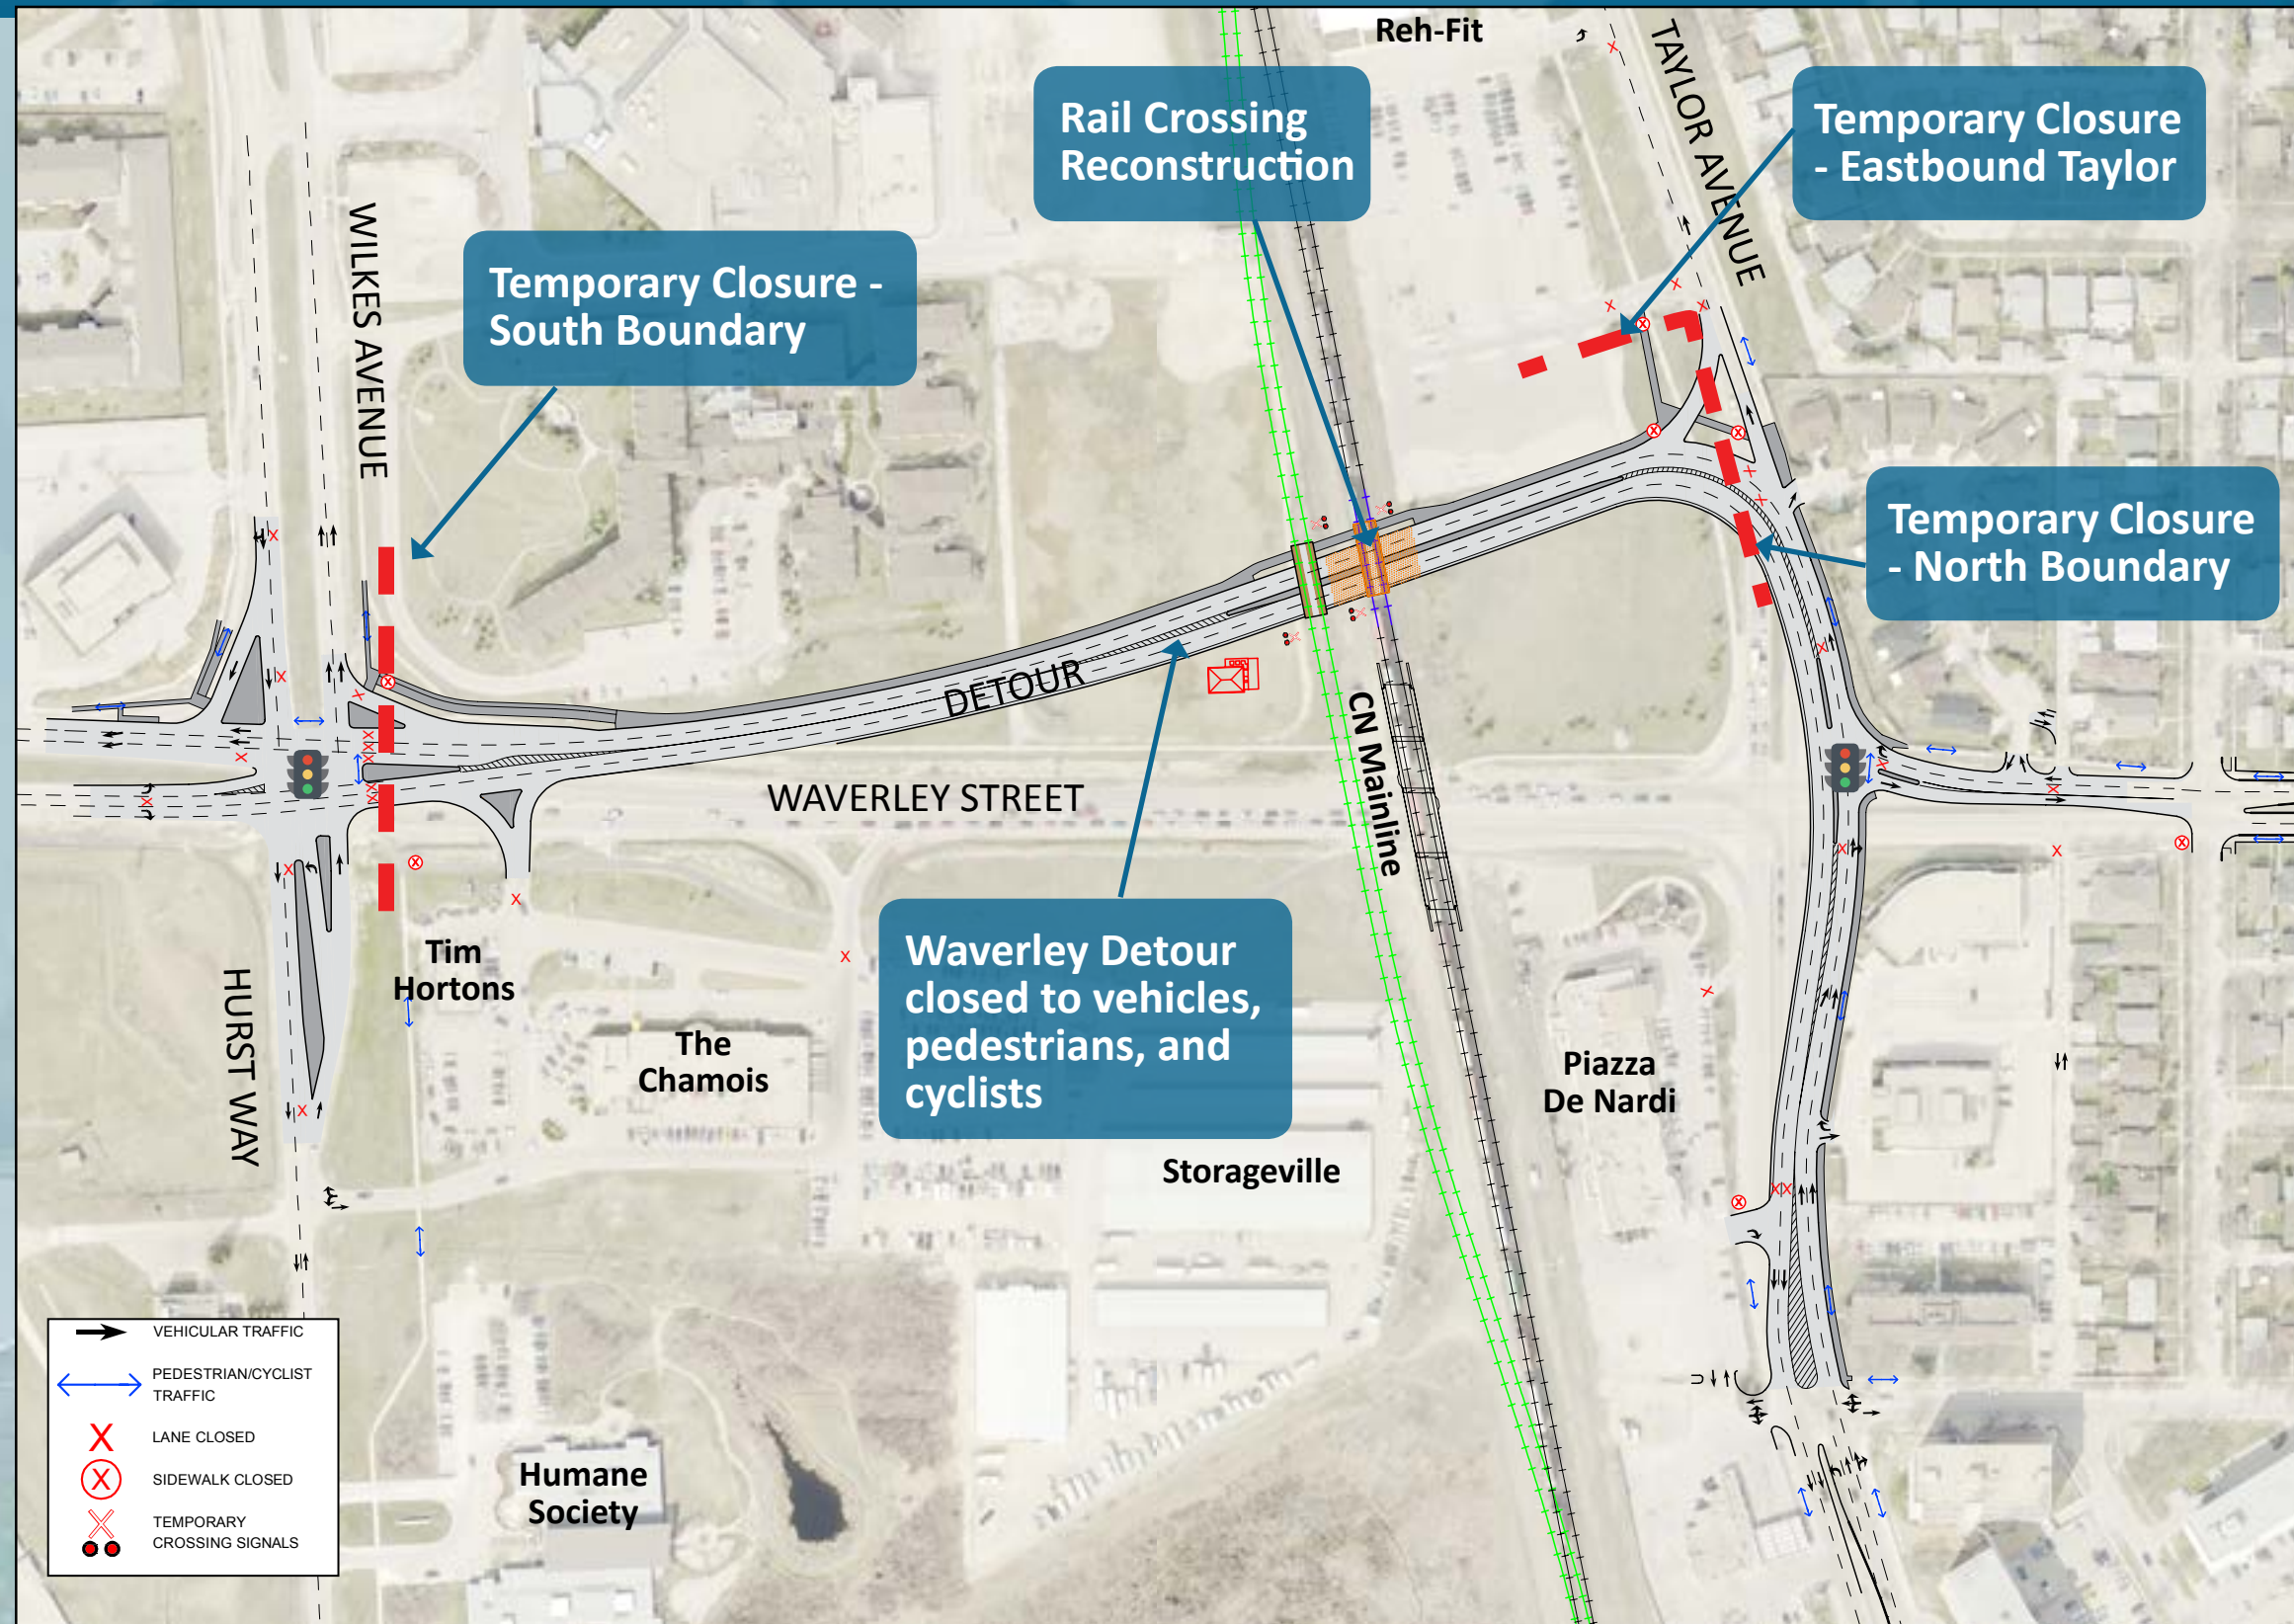

Rail Crossing Reconstruction

As part of the Waverley Underpass project some changes to the CN Mainline at Waverley are required. One of these will involve raising the existing rail line by approximately one foot above its current elevation. To accommodate this and future stages of the Waverley Underpass project, the rail and Waverley detour road crossing will be reconstructed. In order to minimize the impact of the work, and to conduct it in a safe manner, the Waverley detour road will be closed for the July 6-9 weekend.

Temporary Weekend Closure

Closure details

- Closure starts Friday, July 6, 2018 at 10:00am
- Closure ends Monday, July 9, 2018 at 6:00am
- Waverley Street (Detour) will be closed to all vehicles, pedestrians, and cyclists, refer to map at right for details
- Eastbound Taylor will be closed to traffic, however westbound Taylor will remain open
- Property owners will have access via other routes and access points
