## **Cankerworm Control Program Continues in Areas throughout the City**

**Winnipeg, MB** – On Thursday, June 18, 2009, weather permitting; the City of Winnipeg’s Insect Control Branch will continue its cankerworm control program throughout the City focusing on selected streets in heavily foliated areas that are at risk of significant leaf damage.

Starting at 10:00 p.m. tonight, weather permitting, crews will continue treatment in Insect Management Areas 25, 30 and 31. This includes the following neighbourhoods:

<b>Insect Management Area</b>	<b>Neighbourhoods</b>
25	Beaumont, Crescent Park, Maybank, Parker, Point Road, Wildwood
30	Central River Heights, J.B. Mitchell, Mathers, Sir John Franklin, South River Heights
31	Crescentwood, North River Heights, Wellington Crescent

Treatment will be conducted utilizing Btk, a biological product, which is sprayed from high pressure tree sprayers directly onto the foliage of the trees located in City parks and on City boulevards. This product has been approved for use in Canada by Health Canada’s Pest Management Regulatory Agency, and will be used in accordance with federally approved labeled directions by licensed pesticide applicators.

Spraying will occur from 10:00 p.m. – 6:00 a.m., weather permitting. Spraying will not occur if there is significant rainfall or winds are greater than 20 kmph.

Citizens may register for a 30m buffer zone if they do not wish spraying to be carried out on or adjacent to their property. Citizens may register by faxing 311, or by contacting the Insect Control Branch in writing at 3 Grey Street, Winnipeg, MB, R2L 1V2, or by registering on line at [Winnipeg.ca/bugline](http://Winnipeg.ca/bugline).

Citizens may register for email notification regarding planned tree spraying by visiting our website at [Winnipeg.ca/bugline](http://Winnipeg.ca/bugline). They can also register for telephone notification by

calling 311 and leaving their name, address and phone number. Once registered, residents will receive automated phone or email notification identifying the area(s) of the City in which the Insect Control Crews are intending to work, weather permitting.

Interested individuals may acquire more information by contacting 311, or by visiting the City's Insect Control website at [Winnipeg.ca/bugline](http://Winnipeg.ca/bugline).
