CENTRAL - RECOMMENDED DESIGN

1. Westminster Avenue: One-way protected bike lanes on each side.

2. Wolseley Avenue from Chestnut Street to Maryland Street: Contra-flow bike lane eastbound, shared use lane westbound.

Legend:
- One-way vehicle traffic
- Parking removed
- Parking maintained
- Parking added
- Protected bike lane
- Neighbourhood greenway: traffic calming for shared use by bikes and vehicles
- Study area central

Implementation Phasing:
- Pilot
- One-way vehicle access restriction
- Permanent
- Speed hump
