

Traffic restrictions around Ness Avenue for the next 5 to 6 months

Construction is underway to install new land drainage sewers that will help protect residents in the St. James area from basement flooding.

Water and Waste Department

Traffic restrictions will include:

- ▶ westbound traffic on Ness Avenue reduced to:
two lanes from Madison Avenue to Century Street
one lane from Century Street to Berry Street
- ▶ turning restricted on Century Street around Ness
- ▶ local access only on Kensington Street and Madison Street

To keep your children safe, please keep them away from the construction site at all times.
